

HISHAAM NUSTERDIEN

Junior Software Developer

◦ DETAILS ◦

26 Minos Road, Ottery,
Cape Town, South Africa, 7808
+27 81 376 6993
mr.h.nusterdien@gmail.com

◦ SKILLS ◦

Programming Languages

Python
JavaScript / TypeScript
HTML
CSS
SQL

Frameworks / Libraries

Django
Next JS
React JS

Databases

PostgreSQL
MySQL
SQLite

Cloud Computing

AWS

Version Control

Git

PROFILE

Experienced Junior Software Developer with over four years in the programming industry, specializing in Python and Django for full-stack web development. Proficient in both front-end and back-end languages, frameworks, and a range of technologies including databases, APIs, cloud computing, testing, and debugging. Dedicated to continuous learning and professional growth, I hold a Software Engineering certification. My goal is to advance into senior developer roles, leveraging my expertise to drive innovation and excellence in software solutions.

EMPLOYMENT HISTORY

Junior Software Developer

HyperionDev | December 2021 - July 2023

- Collaborated with the team to design, develop, and maintain software applications using Python, JavaScript, HTML, and CSS.
- Specialized in Django framework for full-stack web development.
- Assisted in front-end and back-end development, code reviews, testing, and debugging.
- Integrated APIs and external data sources to create user-friendly web applications.
- Stayed updated on industry trends and best practices.
- Solved technical issues and contributed to team efforts.

Coding Mentor and Code Reviewer

HyperionDev | March 2020 - December 2021

- Provide guidance and mentorship to aspiring developers, helping them improve coding skills and best practices.
- Conduct thorough code reviews, offering constructive feedback and suggestions for enhancement.
- Ensure code quality, consistency, and adherence to coding standards.
- Assist in problem-solving and troubleshooting complex technical issues.
- Facilitate knowledge sharing and collaborative learning within the development team.
- Stay updated on industry trends and emerging technologies to provide relevant guidance.
- Foster a positive and growth-oriented learning environment.

Coding Teaching Assistant

HyperionDev | August 2019 - March 2020

- Assist in delivering coding and programming courses or workshops.
- Support students in understanding programming concepts and solving coding challenges.
- Provide one-on-one or group assistance during coding exercises and projects.
- Offer feedback and clarification on coding-related questions.
- Help maintain a positive and inclusive learning environment.
- Collaborate with the lead instructor to ensure effective delivery of the curriculum.
- Stay up-to-date with course content and industry trends to assist students effectively.

EDUCATION

HyperionDev

Software Engineering Certificate | 2019

Cape Peninsula University of Technology (CPUT)

Higher Certificate in Information and Communications Technology | 2018

CISCO Networking Academy

I.T Essentials Certificate | 2018
